It has come to the notice that some Departments are preparing their merit lists by using 50% cut off marks as a criteria for admitting students. There should not be any cut-off point for interaction for admission to M.Phil/Ph.D programmes. Simply, addition of academic record and interaction may be considered for admission.

A SC faculty member (from the Department or from an allied Department or someone nominated by DUI /VC) be there in every interaction committee for M.Phil and Ph.D admission.
